

A Weekly Update from Lyons Early Childhood School

Week 6 Term 1

PRINCIPAL'S MESSAGE

Dear Families

ACT Seniors Week is being held from 12-18 March in 2018.

ACT Seniors Week is Canberra's celebration of our older community!

According to Erik Erikson, one of the first psychologists to describe social development across the lifespan, the final stage of emotional development is experienced around the age of 60 and older. Developing connections with a younger generation can help older adults feel a greater sense of fulfilment. In fact, linking older adults with youth can provide advantages for both groups.

A special senior-in-residence here at LECS is Oliver. Oliver comes each Friday and reads with and to the year 2 children. He is part of the Storyville program – a program developed by the Equity Foundation that harnesses the talent of performers to encourage children to read (Oliver is an actor by profession).

Who better to bring the magic of stories to life than performers? Research shows that one of the best predictors of children's success in learning to read is being read to aloud.

We welcome and celebrate ALL of the senior members of our school community.

Regards

Principal Mary
