

HEADS UP!

A Weekly Update from Lyons Early Childhood School

PRINCIPAL'S MESSAGE

EMERGENCY EVACUATION DRILL

Yesterday, we practised our emergency evacuation procedures. The children were very responsible and showed us how they are able to exit the building with their teachers quickly and safely. Following every evacuation drill teachers debrief with the children to ensure they understand the process and are aware that at this time it is just a practice.

SPELLING INSTRUCTION AT LECS

In last week's Heads Up, Aimee and I talked about the complexities of the English language and the approach our school takes to phonics instruction. These complexities in the English language mean that children require a range of strategies for spelling. At LECS we explicitly teach 5 strategies from Christine Topfer's work, *'Guided Thinking for Effective Spelling'*. The 5 strategies are...

-  **Sound** – focusing on the sounds in words
-  **Visual** – focusing on the way words look
-  **Meaning** – thinking about word meaning
-  **Connecting** – making connections with other words
-  **Checking** – using live, print or electronic resources

At the end of Heads Up I have included a prompt sheet developed by Christine Topfer which was sent to families last year. These prompts are useful for when you are writing with your child at home.

The P&C are working with the school to host a literacy information session on Thursday 6 September at 4.30pm where we will explain these strategies further.

READING MORNING AT LECS

Did you miss the 'Reading Morning at LECS' Information Session?

Please email me Aimee.Hunter@ed.act.edu.au if you would like to know more.

Do you have a spare half an hour a week (or even more) to come in and support our students to become more confident readers?

In Term 3 we will begin running small groups for children across K-2 to continue to build their skills in reading. If you can help, you will be provided with full training and support (and of course, a hot beverage).

Who can help with reading?

Everyone! - Mums, dads, carers, grandparents, aunts, uncles, friends and neighbours! We require you to commit to at least one 30 min time slot a week (and we would love if you can commit to more). This will most likely be at 9am on Monday and Friday.

You will also need to hold a Working with Vulnerable People Card. We will happily assist you with the application process for this card.

KIDS' MARKET

Help needed for the Kids' Market at LECS in Term 3

We are calling for volunteers to contribute to our upcoming Kids' Market.

PLEASE give an hour to help set-up, pack-up, man the very popular cake stall or bake a cake to donate.

We are also looking for 2-3 manly men to run the BBQ between 11am and 1pm otherwise we will have to scrap it. Register at <https://www.volunteersignup.org/DRE9H>

LITERACY INFORMATION SESSION

Come and hear from two of our teachers about how literacy is taught to children at LECS

Date: Thursday 6 September 2018
