

Week 1 Term 2

PRINCIPAL'S MESSAGE

Dear parents and carers

I hope many of you have been able to enjoy time away from the routine of school and that the break for our preschool to year 2 children has refreshed them ready for another busy term of learning. Welcome back! It's great to see you all!

Last Friday (during the school holidays) I initiated a lockdown of the school. This was in response to a suspicious person being on the school site. I spoke to the person and escorted them out of the school building. To ensure the safety of all children and staff, we followed our lockdown procedures. Education and care staff moved children to a designated space in their room. Lights were turned off and everyone remained quiet. The police attended until we were confident the site was safe, and children and staff returned to usual activities.

I am satisfied that the procedures we have in place are effective in keeping children and staff safe.

Emergency management drills take place at the school each term.

Regards

Principal Mary
