

# HEADS UP!

A Weekly Update from Lyons Early Childhood School

## PRINCIPAL'S MESSAGE

Welcome back to term 3! We are looking forward to an amazing term of learning.

### FESTIVAL OF CONNECTION

It was great to see so many families attend the Festival of Connection in week 10 of last term. This event showcased what LECS children do best. Children were able to demonstrate the authentic learning they have contributed to across the term.

The idea for the Festival of Connection began with the children. They decided that they wanted to present their learning on connections by organising an event. The Year 2 Leaders had a huge role to play in this. They worked across the school to support children to create advertising, brainstorm ideas, organise food and performances, and support each space to complete the particular artefacts they wanted to show families in their learning spaces.

The children achieved their goal of promoting connection within our community. This was one of the biggest and most attended events that the school has had. The children reflected on their learning and showed great pride in what they had achieved. They could also see significant growth in their dispositions for learning.

Thank you to everyone in the community who supported the Festival of Connection and encouraged the children's ideas and leadership.

Kind Regards

Mitchell  
Acting Principal
