AFTER SCHOOL FRENCH LANGUAGE CLASSES

**Enrol your child for a
French class!**

af
Alliance Française
Canberra

Based on the success of the French class trial, LECS P&C is excited to team with Alliance Francaise de Canberra to offer a French-language after-school program in Term 3. We have received so much positive feedback on the trial, with many parents requesting that the program continues in Term 3. The children have been learning the French alphabet, counting, numbers and colours, and parents have been impressed with how quickly the children are learning French!

- The French after school class will be held every Wednesday afternoon in Term 3. It's a 10-week program
- Class is for one hour, 3.15pm - 4.15pm, and will be held in the LECS library
- The class is designed for preschool-aged children and over at a beginner level
- There is a maximum of 22 children that can participate
- Classes are designed and delivered by Alliance Francaise de Canberra
- The teacher will be a native French speaker who specialises in teaching children and has a Masters degree in French as a Foreign Language or equivalent experience
- The program is fun and engaging, filled with music, singing, dancing, art, craft, and games!

If your child attends After School Care (OHSC) on a Wednesday afternoon, WCS staff will take them to the library to attend the French class at 3.15pm and return them to After School Care at 4.15pm once the French class concludes.

The cost will be between \$185 - \$225 per child for the 10-week program (The cost per child will be dependent on the number of children that participate; the more children that participate, the less the cost per child will be!).

If you wish to enrol your child in the Term 3 French program, please email lecspandc@gmail.com with your child's full name, age, class, your name and contact details by end of Term 2 (Friday 5 July). Confirmation of cost per child and invoices will be sent from 6 July. Payment is to be made by the start of Term 3.

A very big thank you to WCS staff and LECS for supporting all the after-school programs that we have been able to run this year, and for working as a team to ensure programs run smoothly!

AUSKICK

Auskick has begun at LECS and you can see plenty of AFL stars in the making out there on the Lyons Oval every Tuesday afternoon after school! It's so wonderful to see the enthusiasm and motivation in our children as they give AFL a go.

STAY AND PLAY @ LECS

Thank you to all the parents and children that came to Stay and Play this week. It was lovely to see so many families and the kids had a ball!

We look forward to hosting Stay and Play again in Term 3. Stay and Play week may be over for this term, but you and your children are more than welcome to stay back after school any afternoon during the term and hang out in the big playground. It's a great chance for you to meet other LECS parents and carers.
