

Dear neighbours of Lyons Early Childhood School,

**Update on the Lyons Early Childhood School boundary fence**

In 2020, Lyons Early Childhood School commenced community engagement for a proposal to extend the school's boundary fence.

The intention of extending the fence is to enclose additional school land and provide students with a safe and level outdoor green space that will offer students the opportunity to play and engage in Physical Education and other outdoor lessons.

The Education Directorate values school sites as community assets and is receptive to feedback received from community.

Feedback received during the first phase of engagement outlined community desire for access to the green space at the side of the school near the Lyons Scout Hall. The Directorate has acknowledged this feedback and has revised the fence design which now provides a wider area for community use.

The revised fence design is attached and will replicate the existing fence that encloses the school playground. The Lyons Early Childhood School Board and Parents & Citizens Association have endorsed the proposed fence design.

Should you have any questions or feedback, please don't hesitate to contact the Education Directorate via email [ACT.Education@act.gov.au](mailto:ACT.Education@act.gov.au) or myself at [info@lecs.act.edu.au](mailto:info@lecs.act.edu.au) or by phone on 6142 0044.

The community engagement process will close for feedback on 3 October 2022 at 4pm at which time the proposal will be submitted to the Directorate's Deputy Director General for approval to commence procurement for the fence.

Kind regards,

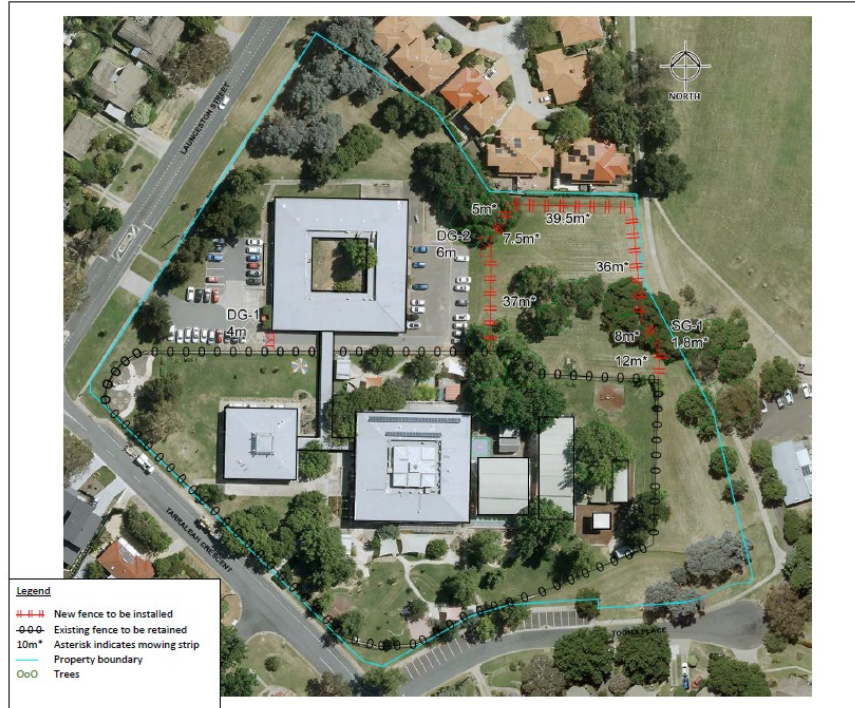

R Strangward

Principal
